INDEX

ABOUT US

Cflors is a leader in flooring industry offering an integrated collation of carpet, carpet tiles and resilient flooring.

Vision

To be and remain the preferred supplier in the floor covering solutions.

Mission

Cflors mission is to excel in the floor covering business through excellent customer service, customer satisfaction worldwide, investment in its human capital, product research and development, commitment to quality, continuous improvement and social & corporate responsibility

Sustainability

Protecting our shared environment is of fundamental importance to Cflors Industries Inc, as it is to our employees, customers, and other stakeholders. To support this common goal, we continually strive to improve the environmental performance of our products and processes.

We try to achieve the commitment by considering the risks of our raw materials and products at all stages of our product's life, placing priority on risks present during our production process and during our customers' use of our products & its impact on the ecosystem.

Our Principles

- Respect of individual - all stakeholders
- Three excitements rule at Cflors - QCE

The Flooring Solutionsn

Cflors believes in the importance of continuous research and development in offering the right product, at the right price with excellent service to the flooring industry. The company allocates considerable budget for R&D every year which brings in efficiencies to continuously offer quality products at reasonable prices as well as carry the flagship of the

Joint Ventures

Keeping in view the traditional concerns of market proximity of the production facilities, larger delivery lead times and expensive shipping costs, Cflors has partnered with several international manufacturers in North America, Europe and Asia to provide best solution to create more value for money. This adds another star to the credentials of Cflors Industries Inc, in providing quicker deliveries to the widespread & versatile global markets.

Thanks to the international trend of globalization and resource sharing the Cflors is well positioned in passing on the advantage of its cost effectiveness to all it's stakeholders.

Carpets

Cflors, a leading carpet brand, our aim is to create Great Spaces, one surface at a time.

Today, most people spend 90% of their time indoors. This makes it imperative that we create healthy interiors. As a supplier of carpets to the commercial and consumer sectors, we believe it is our responsibility to develop products that contribute to a healthier living and working space.

Cflors carpets are characterized by three pillars: Design, Functionality and Circular Economy.

Design Carpets by the latest trends

Design excellence is a priority for us. We are inspired by the latest trends in areas such as fashion, architecture, art and interior design.

Stable and functional carpets

Field of functionality, we focus on developing solutions that lead to healthier and happier living and working conditions. Through this process, we ask what our carpets can do to make or become better people's health and well being.

Workplace carpets

The way we work is changing and with it the definition of a modern workplace. A more philosophy approach to design help create inspiring, multi-purpose spaces that support the health and well being of the workforce, which in turn leads to better productivity and results for an organization.

Luxury Vinyl Tiles (LVT)

Luxury vinyl planks and tiles offer complete design freedom with endless layout possibilities across a broad range of patterns, color ways, quality levels and installation formats. LVT withstands heavy traffic and is easy to maintain with extra resistance to scuffs, scratches and stains. For any segment, for any space, luxury planks and tiles is an optimized, inspired solution.

Vinyl Flooring

Vinyl floors are very popular because of their durability, low maintenance and versatility. Homogeneous vinyl is made of one single layer that offers vibrancy and depth of colour. It is incredibly durable and stain resistant which makes it a great flooring choice for heavy traffic areas.

Homogeneous

Heterogeneous vinyl is a multi-layer vinyl with a printed top layer providing endless design possibilities, lasting performance and low maintenance cost. Our heterogeneous vinyl flooring is perfectly adapted for almost all application areas and we offer specialized flooring solutions like acoustic vinyl, slip resistant vinyl and loose lay vinyl.

Heterogeneous

Sports flooring

When it comes to sports and leisure venues, we know that the safety and comfort of our customers is a top priority. With our Flexisports Sport collection, we offer sport floors that meet all requirements without compromising on style and visual impact.

LONG TERM PROTECTION

Excellent shock absorption
Genuine joint and cartilage protection

REDUCED INJURY RISK

Optimum vertical deformation
Comfort and protection

SUPERIOR FOR BALLSPORTS

Outstanding ball rebound
Imposing sporting performance

EASY DIRECTION CHANGE

Coefficient of friction between 0.4-0.7
Optimal balance of grip and slide

SPC Flooring

Click luxury SPC flooring that is stylish, versatile, and easy to install. With an authentic range of textured grains and stones, there's a perfect fit for every space. Add an organic touch to traditional schemes with a fine wood, or balance minimal interiors with a delicate stone.
